## INSPIRING YOUR CHILD TO LOVE LEARNING AND BE THE BEST THEY CAN BE

Maria Regina offers a small and personal Catholic primary school community where our learning programs support a variety of student interests and learning needs. We have a dedicated, talented and professional team who are proud of their commitment to the learning of all the children in our care. In partnership with our parents, our faith-led approach, with a focus on community awareness, social justice and student's wellbeing, is an important part of our difference.
